

WELCOME FROM THE HEAD OF SCHOOL

First of all, let me welcome you back to your studies. We are looking forward to welcoming you back into the School.

Your Stage 3 Induction session will be as scheduled below:

Wednesday 17 September

11.00 am – 12 noon	Stage 3/4 Biomedical Sciences Suite Induction Lecture	RB Green
--------------------	---	----------

Thursday 18 September (*attend your degree programme session only*)

12 noon – 1.00 pm	BSc/MSci Pharmacology	LTD
10.00 am – 11.00 am	BSc/MSci Physiological Sciences	LTE
10.00 am – 11.00 am	BSc/MSci Biochemistry & BSc/MSci Biomedical Genetics	LTF
12 noon – 1.00 pm	BSc/MSci Biomedical Sciences	RB Green

Careers:

11.00 am – 12 noon	Stage 3/4 Careers – Don't miss deadlines: preparing your next steps after University	David Shaw LT
--------------------	--	---------------

The above sessions are an integral part of your degree programme and it is expected that you attend. During induction week we also ask that you arrange an appointment with your tutor.

You should shortly be able to access your [timetable](#) and please visit [Returning Students Induction Course](#)

We expect you to continue to apply yourself with determination, stamina and enthusiasm to your studies so that you achieve the best degree possible. But remember this year, more than ever, it is important that you look after your health and wellbeing, so try and balance your studies with some relaxation time and extracurricular activities.

Finally, please remember that if for genuine reason you are unable to travel to Newcastle for the start of term then you must **please request approval for late arrival by emailing bns.ugadmin@ncl.ac.uk by 12 September**, providing a brief explanation of your circumstances. If approved, we will then contact you to confirm support arrangements.

I wish you every success in the coming year!

Professor Emma Stevenson
Head of School
