Induction Guide

The following site will provide you with useful information ahead of your arrival at Newcastle' [Before You Arrive](#)'

In addition to the induction activities noted on your timetable, please complete the following by Friday 26th September 2026. If you experience any difficulties, please contact your Learning & Teaching Assistant for assistance Nicola.Rutherford@newcastle.ac.uk).

Registration – Instructions on how to register will have been sent to the personal email address you included in your application. Provisionally registering before you arrive will save you time when you get to University. For further details on how to do this please visit [Register as a Student | Newcastle University | Newcastle University](#)

The system used for registration is also where you can keep your details up-to-date (e.g. change of address), produced standard University documents and notify the University of any absence from study.

For students who require access to the Architecture Building or Building Science, your smartcards will be updated during the induction weeks to provide authorisation. If you are still unable to access the buildings by Monday 13th October 2026 please email the School Reception (APLReception@ncl.ac.uk).

Please ensure you review the central University Induction information:-

2026 Student Induction

Campus and the Robinson Library –The Library (<http://www.ncl.ac.uk/library/>) will be a useful resource during your time at Newcastle. In addition, subject specific information is available through <http://libguides.ncl.ac.uk/apl>
