

PhD by Prior Publication Pre-Approval Checklist

This form is for the Pre-approval of a PhD by Prior Publication application and must be completed by the prospective applicant at least 3 months in advance of the proposed start date for home students and international students. If the prospective applicant is international and requiring ATAS approval, more time may be required for the applicant to meet the conditions of any academic offer subsequently made.

Please refer to the PhD by Prior Publication webpages for guidance when completing this pre-application checklist: <https://www.ncl.ac.uk/student-progress/pgr/publications/specific-regulations/>.

Following receipt of this application, approval will be sought from the relevant Faculty Dean of Postgraduate Research and relevant Director of Postgraduate Studies. If approved, the Doctoral College will advise the prospective applicant to make a formal application via the PG Admissions Portal at <https://applyto.newcastle.ac.uk>

Data Protection Statement: All information that we hold concerning you as an individual will be held and processed by the University strictly in accordance with the provisions of the Data Protection Act 1998. As an individual, you have right under the Data Protection Act 1998 to obtain information from us, including a description of the data that we hold on you. The Newcastle University Data Protection Policy can be found at: <https://www.ncl.ac.uk/data-protection/data-protection-policy/>

* Required
